

Providing a comprehensive Occupational Health Service

We employ Occupational Physicians (workplace medical specialists) to provide and supervise a wide range of services focusing on promoting wellness in the workplace and positive workplace cultures.

Our Services

Our services include Prevention, Active Rehabilitation and Claims Management.

Prevention

- Pre-employment medicals
- Health Surveillance tests
- Hearing tests
- Drug Screening
- Executive medicals
- OHS manuals

Active Rehabilitation

- Injury treatment
- Active supervision of RTW programs
- Workplace Assessments
- Injury Management Consultations

Claims Management

- File reviews
- Independent Medical Examinations
- Statistical analysis of claims
- Early Injury Management system reviews
- Workplace culture assessments
- Management practice assessments
- OHS assessments
